Award Nomination Form

The more information we have about your nominee's achievement, the better we are able to assess their eligibility for the award. The questions below are to guide your written nomination.

Who was the customer, in what industry, what regions were involved and what was the challenge for the customer?

How did the nominee grasp the bigger picture in the industry and also understand the customer pain points?

What were the road bumps?

Describe what nominee did that was above and beyond.

Describe the results -- both quantitative metrics and the softer qualitative ones. What was the industry impact??

If the innovation had not happened or worked right -- what would have been the consequences?
